

## Table of Contents

Identifying.....	4
Sketching Fractions.....	6
Expressing in Simplest Form.....	8
Renaming as Equivalent Fractions.....	10
Changing Improper Fractions to Mixed Numerals and Whole Numbers.....	12
Changing Mixed Numerals to Improper Fractions.....	14
Adding with Like Denominators.....	16
Adding Mixed Numerals with Like Denominators.....	18
Reviewing Addition of Fractions and Mixed Numerals with Like Denominators.....	20
Subtracting with Like Denominators.....	22
Subtracting Mixed Numerals with Like Denominators.....	24
Subtracting Mixed Numerals or Fractions from Whole Numbers.....	26
Reviewing Adding and Subtracting with Like Denominators.....	28
Finding Least Common Denominator.....	30
Adding Fractions with Unlike Denominators.....	32
Subtracting Fractions with Unlike Denominators.....	34
Reviewing Adding and Subtracting with Unlike Denominators.....	36
Adding Mixed Numerals with Unlike Denominators.....	38
Subtracting Mixed Numerals with Unlike Denominators.....	40
Reviewing Addition and Subtraction of Fractions and Mixed Numbers.....	42
Multiplying Common Fractions.....	44
Multiplying Common Fractions/Eliminating Common Factors.....	46
Multiplying Whole Numbers and Fractions.....	48
Multiplying Mixed Numerals.....	50
Reviewing Multiplying Fractions.....	52
Reciprocals.....	54
Dividing Fractions and Mixed Numerals.....	56
Comparing Fractions.....	58
<b>Final Reviews and Final Tests.....</b>	<b>60</b>
Answer Keys.....	64
